# The Best Thing

## Doveman

Never want to fly
Never wanna leave
Never want to say what you mean to me
Never want to run
Frightened to believe
You're the best thing, all about me
You're the best thing, all about me
Sometimes I feel like this is only chemistry
Stuck in a maze searchin' for a way to
Shut down, turn around feel the ground beneath me
You're so close, where do you end?
Where do I begin?
Always pushin' and pullin'
Sometimes vanity takes vacation time on me
I'm in a daze stumblin' bewildered
North of gravity head up in the stratosphere
You and I, roller coaster ridin' love
You're the center of adrenalin
And I'm beginnin' to understand
Never want to fly
Never wanna leave
Never want to say what you mean to me
Never want to run
Frightened to believe
You're the best thing, all about me
Walk on broken glass make my way through fire
These are things I would do for love
Farewell peace of mind, kiss 'goodbye' to reason
Up is down the impossible occurs each day
This intoxication thrills me
I only pray it doesn't kill me
Never want to fly
Never want to leave
Never want to say what you mean to me
Never want to run
Frightened to believe
You're the best thing, all about me
You're the center of adrenalin
And I'm beginnin' to understand

You could be the best thing about me, ohh
(You could be the best thing about me, ohh)
Never want to fly
Never wanna leave
Never want to say what you mean to me
Never want to run
Frightened to believe
You're the best thing, all about me
Never want to fly
Never wanna leave
Never want to say what you mean to me
Never want to run
Frightened to believe
You're the best thing, all about me
You could be the best thing about me, oh oh
You're the best thing, all about me
You could be the best thing about me, oh no no
You're the best thing, all about me
You could be the best thing about me, oh oh
You're the best thing, all about me
You could be the best thing about me, oh no no
You're the best thing, all about me
Never want to fly
Never want to leave
You're the best thing, all about me
Never want to run
Frightened to believe
You're the best thing, all about me
