

The World is Ours (2014 FIFA World Cup Anthem)

[David Correy](#)

From the sky to the sea to the air that we breathe
From the depths of the earth to the stars(Light up the world, light up the world)Run like you're born to fly
Live like you'll never die
Dare what you dare to dream
And everything in betweenI had an epiphany one night,
looking at the endless star filled sky
The world is ours!
The world is ours!
The world is ours!
(We are we are we are we are)
(We are we are we are we are)
The world is ours!Sing out your bed and cry
Under the stage and sky
Oceans and land divide,
United we feel insideThe world is ours!
The world is ours!
The world is ours!
(We are we are we are we are)
(We are we are we are we are)The world is ours!
(Light up the world, light up the world)The world is ours!
The world is ours!
The world is ours!
(We are we are we are we are)
(We are we are we are we are)
The world is ours!
The world is ours! (We are we are we are we are)
The world is ours! (We are we are we are we are)
The world is ours!
