

Do the Buildings and Cops Make You Smile?

Bedroom Walls

take the days and the hours
souvenir Eiffel Towers
throw them up in the air
watch them fall
well, the ground underneath
and the air that you breathe
is it all that's keeping you alive?
when your friends can't be found
take a walk into town
do the buildings and cops
make you smile?
i saw you in the shops
in the scarf that i bought
which you wore like a bandage
on your heart
