

Ballad of Big Nothing

[Julien Baker](#)

Throwing candy out to the crowd,
Dragging down the main
The helpless little thing with the dirty mouth
Who's always got something to say
You're sitting around at home
Now waiting for your brother to call
I saw him down in the alley,
Having had enough of it all
Said you can do what you want to whenever you want to
You can do what you want to
there's no one to stop you
All spit and spite, you're up all night and down every day
A tired man with only hours to go
Just waiting to be taken away
Getting into the back of a car
For candy from some stranger
Watching the parade with pinpoint eyes
Full of smoldering anger
You can do what you want to whenever you want to
You can do what you want to,
There's no one to stop you
Now you can do what you want to whenever you want to
Do what you want to whenever you want to
Do what you want to whenever you want to though it doesn't mean a thing
Big nothing
