

# White Christmas

Neil Diamond

The sun is shining and the grass is green  
The orange and palm trees sway  
There's never seen such a day in Beverly Hills, L.A.  
But it's December the 24th, and I'm longing to be up North  
Yeah, yeah yeah, ye, I'm dreaming of a white  
Christmas  
Just like the ones I used to know  
Where the tree tops glisten and children listen  
To hear sleigh bells in the snow  
I'm dreaming of a white Christmas  
With every Christmas card I write  
May your days be merry and bright  
And may all your Christmases be white, come on, now  
Yes, I'm dreaming of that white Christmas  
There's nothing like that newly fallen snow  
The treetops glisten, children all listen  
Hear some sleigh bells in the snow, you know it's so  
And I'm dreaming of a white Christmas  
With every Christmas card I write  
May your days be merry and bright  
And may all your Christmases be  
May every Christmas Day be  
May all your Christmases be any color you like  
Oh yeah yeah  
Where the treetops glisten and children listen  
To hear sleigh bells in the snow, come on sing it now with me everybody  
I'm dreaming of a white Christmas  
With every Christmas card I write  
May your days be merry, merry and bright, yeah  
And may all your Christmases be  
May all your Christmases be  
May all your Christmases be white  
(And may all your Christmases be white)
