

He Waits for Me (Radio Version)

Consumed by Fire

There's a place I go
when I need a getaway
there's a peace I know
that soothes the soul
And this life I've found
I know it's not my own
so when I run to you
it's like I'm running homewhere I find peace
I find my way
down by the water
He waits for me
where I find strength for each and every day
joy in the midst of any pain
I believe down by the water
He waits for me
so if you're rollin' the dice
and just tryin to make it through
there are hands that are reaching out for you
and if you're holding back tears
and just trying to be strong
there's a place that is calling out for you
this is the place that I'm always running to
yes it is where I find peace
I find my way
down by the water
He waits for me
where I find strength for each and every day
joy in the midst of any pain
I believe down by the water
He waits for me
yeah
oh there is peace
here down by the water
lay it down
here down by the water
lay it down
here down by the water
He waits
He waits

He waits for me
here down by the water
just lay it down
here down by the water
lay it down
here down by the water
He waits
He waits
He waits for me
here down by the water
There is joy
here down by the water
And there is strength
here down by the water
He waits
He waits where I find peace
I find my way
down by the water
He waits for me
where I find strength for each and every day
joy in the midst of any pain
I believe down by the water
He waits for me
