Flag Fall $1.80

You Am I

If I'm so unpopular out on the highway
Why is everybody waving at me?
See if they even knew ya
Wouldn't you find that a little peculiar?
Six pack, cheaper domestic
To keep the council's road works protected.
Mopping up puke for all the high school kids getting soaking.
Ripping off stickers off dashboards preventing me from smoking.
We ain't going west of the city
But I'll take you to the station 'cause your girlfriend's pretty.
Six pack, cheaper domestic
To keep the council's road works protected.I can get you where you want.
Start at $1.80 add the extra.
But for that
Late night AM talk back line.
Don't use my mirror for your hairdo
If you don't mind.I can get you where you want.
Start at $1.80 add the extra.
But for that
Late night AM talk back line.
Don't use my mirror for your hairdo
If you don't mind.
