

The Rhythm (Tom Bull Remix)

MNEK

If I let the rhythm get to me then I don't know what I would be
Think I just might lose my mind
If I let the rhythm get to me, it will take all of me
I'll lose track of space and time Oh yeah yeah yeah yeah yeah yeah, fever pitch
Just like a shot running through my veins
Oh yeah yeah yeah yeah yeah yeah yeah, flick the switch
And you'll ignite an eternal flame If I let the rhythm get to me then I don't know what I would be
Think I just might lose my mind
And if I let the rhythm get to me, it will take all of me
So I can't let go this time If I let the rhythm get to me
If I let the rhythm get to me If I let the rhythm get to me then I don't know what I would be
Think I just might lose my mind
And when it takes over me, it starts emotionally
I lose myself in flashing light Oh yeah yeah yeah yeah yeah yeah, no escape
It seems to be everywhere I go
Oh yeah yeah yeah yeah yeah yeah, it's my fate
It's like you want to lose control If I let the rhythm get to me
If I let the rhythm get to me It's the sweetest sensation
That I've ever known
If he's a beast, I need saving
The feeling only grows
So I know what I need whenever I hear that beat
It's a whirlwind, it's so sublime
But if I let the rhythm get to me
I have no clue what I'll be
Baby, you'd think I'll lose my mind If I let the rhythm get to me
If I let the rhythm get to me
