

# You Can Run (feat. Kid Cudi)

Bryan Greenberg

You can run, you can run  
But you can't hide  
From my love, you can run  
You can run but you can't hide  
From my love, you hear me on the radio  
Comin' through so clear on the stereo  
And you know there is nowhere to go  
From my love, you try to forget about me  
But I told you to never doubt me  
How's your life right now without me?  
Baby, I know it's crazy when we argue  
The name calling  
Baby, I know you miss me  
'Cause I'm thinkin' of you  
And you're thinkin' of me  
Strangely, see I won't panic  
'Cause I feel you swing back my way  
You hate me, yeah, I get it  
But I can't begin to even start to hate you  
You can run, you can run  
But you can't hide  
From my love, you can run  
You can run but you can't hide  
From my love, you tuned me out  
Now you're turning me up  
I tried so hard but you just gave up  
You tuned me out  
Now you're turning me up  
(Ooh, ooh, ooh)  
You can run, you can run  
You can run, baby  
(Ooh, ooh, ooh)  
You can run, you can run  
You can run, baby  
(Ooh, ooh, ooh)  
You can run, you can run  
You can run, baby  
(Ooh, ooh, ooh)  
You can run, you can run  
You can run, baby  
You see me in the paper  
Thought I'd always be a waiter  
Got heart for all the haters  
'Cause that's my love, you can run  
You can run but you can't hide  
From my love, you can run  
You can run but you can't hide  
You see us on the TV screen  
You scream, "Is this really happening?"

This is as real as all our dreams And so is my love, you can run

You can run but you can't hide

From my love, you can run

You can run but you can't hide

From my love You can run, you can run

But you can't hide

From my love, you can run

You can run but you can't hide
