

Mamma Mia (feat. Prophet Of 7Lions)

Darin

Ha ha yeah,
Darin, whadup
It's Prophet
Rush, BeetGeek
Let's go I saw her sitting by herself that night
The room was rich with her perfume
Adjust my tie to get my swagger right
I think I'm about to make a move Pulling me close with her eyes
My body is losing control
Temperature's starting to rise
When we touch, sparks
Makes me wanna scream Mamma Mia
You work it so good that it's bad
Mamma Mia
These feelings that I've never had
I can't get you out of my skin, like a drug
I'm falling way deeper than love
Mamma Mia
Mamma Mia I think I'm drunk just from a single kiss
And I don't even know her name
She whispered to me what the reason is
Said she'd put pure love in my vein Pulling me close with her eyes
My body is losing control
Temperature's starting to rise
When we touch, sparks
Makes me wanna scream Mamma Mia
You work it so good that it's bad
Mamma Mia
These feelings that I've never had
I can't get you out of my skin, like a drug
I'm falling way deeper than love
Mamma Mia
Mamma Mia
You, got me play so, if you say so (?)
Watch it kill 'em when she hopping out the range rover
One kiss gets you higher than a space probe
One night, now you giving up the safe code
Overdosing off a potion in the body work (?)
Hangover, love gotta hurt

Make me chase them like a (?) tequila
(Makes me wanna scream) Now screaming now: mamma miaMamma Mia
You work it so good that it's bad
Mamma Mia
These feelings that I've never had
I can't get you out of my skin, like a drug
I'm falling way deeper than love
Mamma Mia (Mamma Mia)
Mamma Mia (Mamma Mia)Mamma Mia
You work it so good that it's bad
Mamma Mia
These feelings that I've never had
I can't get you out of my skin, like a drug
I'm falling way deeper than love
Mamma Mia (Mamma Mia)
Mamma MiaMamma Mia, Mamma Mia
Mamma Mia, Mamma Mia
