

Something Like A Party

School Gyrls

World-wide, love it
G production
Just give me a beat
School Gyrls
'Cause all I need is a beat
Nothin' more than a beat
La, da, da, da, da, la, da, da, da, da, da, ooh
It's somethin' like a party
La, da, da, da, da, la, da, da, da, da, da, ooh
I'm invitin' everybody
DJ keep it comin'
DJ keep it, keep it comin'
When the speakers start to thumpin'
Everybody starts to jumpin'
'Cause we all up in here
Our hands up in the air-a singin'
La, da, da, da, da, da, ooh
I know you think this song is about ya
It's all about me, myself and I'm comin' outta
Where my people at?
You in the front and in the back
Start the beat, let me get a clap
That's what I'm talkin' 'bout, yeah
I'm gonna give you what you've been missin'
And I know I'm the thing that you really need
I wanna know if you're all ready for what I
Got in store if you know the words then say
La, da, da, da, da, la, da, da, da, da, da, ooh
It's somethin' like a party
La, da, da, da, da, la, da, da, da, da, da, ooh
I'm invitin' everybody
DJ keep it comin'
DJ keep it, keep it comin'
When the speakers start to thumpin'
Everybody starts to jumpin'
'Cause we all up in here
Our hands up in the air-a singin'
La, da, da, da, da, da, ooh
Now eight enough of us comin' out on the floor

That's why I decided to give y'all what you want
Just a little more
People say they want some more
They're sick, guess we'll have a cure
That's what it's all 'bout, yeah
I'm gonna give you what you've been missin'
And I know I'm the thing that you really need
I wanna know if you're all ready for what I
Got in store if you know the words then say
La, da, da, da, la, da, da, da, da, da, ooh
It's somethin' like a party
La, da, da, da, da, la, da, da, da, da, ooh
I'm invitin' everybody
DJ keep it comin'
DJ keep it, keep it comin'
When the speakers start to thumpin'
Everybody starts to jumpin'
'Cause we all up in here
Our hands up in the air-a singin'
La, da, da, da, da, da, ooh
This song is never endin'
So stop pretendin'
Like you've forgotten any of the words
La, da, da, da, ooh
Get a clue so easy to do
And now I want everyone to say
La, da, da, da, da, da, ooh
You should all know my melody
Goes a little somethin' like
La, da, da, da, da, la, da, da, da, da, da, ooh
It's somethin' like a party
La, da, da, da, da, la, da, da, da, da, da, ooh
I'm invitin' everybody
DJ keep it comin'
DJ keep it, keep it comin'
When the speakers start to thumpin'
Everybody starts to jumpin'
'Cause we all up in here
Our hands up in the air-a singin'
La, da, da, da, da, da, ooh
