Live on Tomorrow

Juliana Hatfield

Wasted, ruined, tragic
Cause it doesnt have to be like this
Pasty, dirty, sweaty,faithless
Pasty, dirty, smelly, wretched
Make it, be a whore, a tabloid clicheNasty, spoiled, deceptive, wrecked
Nasty, grungy, deceptive, wreckedWhat a life, You wear it like propriety
What a life, You do it like you really mean it
What a life, I watch it like a scary movie
What a life, STDs, sick sex, drug-addled debauchery-mongerMasty, stringy, pathetic, hopeless
Dredgy, stringy, pathetic, hopelessWhat a life, you wear it like propriety
What a life, you do it like you really mean it
What a life, I watch it like a scary movieWhat a life, to wear it like a badge
Wear it like a crown, wear it like a trophy
Open like a cut, pick it like a scab
Feed it like a dogWasted, ruined, tragic
Cause it doesnt have to be like this
Pasty, dirty, sweaty, smelly, faithless
Grungy, pathetic, wretchedWhat a life, you wear it like propriety
What a life, you do it like you really mean it
What a life, I watch it like a scary movie
What a life
