

Heavenly Sent (Qb Warm Days Remix)

Mi Casa

I've never been to heaven
but I'm pretty sure that's where you cam from, oh
your angelic face
your majestic ways
Yes I know it sounds kind of cheesy,
but girl you've got to know that I'm for real
see, oh
I would never say
things I don't mean
ooh
Girl

You've got me crying over you
You rock my world,
and got me changing things I do
Heavenly Sent
Heavenly Sent
Heavenly Sent you are
Heavenly Sent
Heavenly Sent
Heavenly Sent you are
I wonder where you got those eyes
They must've been God's special prize
Oh, now you truly blessed thing that you touch
My heart's in a mess, when you sleep-in' all alone
Girl

You've got me crying over you
You rock my world,
and got me changing things I do
Heavenly Sent
Heavenly Sent
Heavenly Sent you are
Heavenly Sent
Heavenly Sent
Heavenly Sent you are
