## I Don't Mind If You Forget Me

## **Morrissey**

I don't mind
I don't mind if you forget me

Having learned my lesson

I never left an impression on anyoneSo now you send me

Your hardened regards

When once you'd send me love

Sincerely I must tell you

Your mild best wishes

They make me suspiciousI don't mind

I don't mind if you forget me

Having learned my lesson

I never left an impression on anyoneThe pressure to change

To move on

Was strange

And very strong

So this is why I tell you

"I really do understand

Bye bye"I don't mind

If you forget me

No no no no

No no noYou can only be

Strong for so long

It may not eat you

But it will beat you

So this is why I tell you

"I really don't understand

This time"Rejection is one thing

But rejection from a fool is cruel

Rejection is one thing

But rejection from a fool is cruelAnd I don't mind

If you forget me

I don't mind

If you forget me
