# A Little Too Much

## Ratt

YeahYou tell me something I don't know
And I tell you something that's real
You think you know everything
About me except just how I feelYou always call me a liar
But you can't tell me to my face
It doesn't matter to me
You never loved me anywayYou say, let's stop
I say, let's go
You say, it's hot
I say, it's cold
What's the matter with me?(A little too much)
I can't help myself
(A little too much)
And there's nobody else(A little too much)
Hear what I say
(A little too much)
Hear it everydayYou always wanted to cruel so
Finally, why do you have such hate?
You better look in the mirror
Baby, it's time to seal your fateYou say, let's stop
I say, let's go
You say, it's hot
I say, it's cold
What's the matter with me?(A little too much)
I can't help myself
(A little too much)
And there's nobody else(A little too much)
Hear what I say
(A little too much)
Hear it everyday(A little too much)
I can't help myself
(A little too much)
And there's nobody else(A little too much)
Hear what I say
(A little too much)
Hear it everyday(When you're wrong, you're wrong)
(When you're wrong, you're wrong)
I've had enough of this cold still trying
(When you're wrong, you're wrong)

[Incomprehensible](When you're wrong, you're wrong)
You still give me your reason and why
(When you're wrong, you're wrong)
You did what you did to get meYou're wrong, I'm right
Two wrongs don't make a rightYou say, let's stop
I say, let's go
You say, it's hot
I say, it's cold
What's the matter with me?I can't help myself
And there's nobody else
(A little too much)
Hear what I say
(A little too much)
Hear it everyday(A little too much)
I can't help myself
(A little too much)
And there's nobody else(A little too much)
Hear what I say
(A little too much)
Hear it everydayI can't, I can't, I can't help myself
I can't, I can't help myself
