David

Gus Gus

I still have last night in my body
I wish you were with me
I still have last night in my body
I wish you were with me
I wish you were with meI still have last night in my body
I wish you were with me
I still have last night in my body
I wish you were with me
I wish you were with me, DavidI still have last night in my body
I wish you were with me
I wish you were with me, DavidOh David
Oh David
Oh David(I am thinking of you)
(I am thinking of you)
(I am thinking of you)
(I am thinking of you)I still have last night in my body
I wish you were with me
I still have last night in my body
I wish you were with me
I wish you were with me, DavidOh David
Oh DavidI wish you were with me, David
I wish you were with me(I am thinking of you)
(I am thinking of you)
Yes, I am thinking of you
I am thinking of you(I am thinking of you)
(I am thinking of you)
(I am thinking of you)
