

Dear Diary

Pink

Dear, dear diary, I wanna tell my secrets
'Cuz you're the only one that I know who keep them
Dear, dear diary, I wanna tell my secrets
I know, you'll keep them, and this is what I've done I've been a bad, bad girl for so long
I don't know how to change what went wrong
Daddy's little girl when he went away
What did it teach me?
That love leaves, yea, yea Dear, dear diary, I wanna tell my secrets
'Cuz you're the only one that I know who keep them, oh yea
Dear, dear diary, I wanna tell my secrets
I know you'll keep them, and this is what I've done I've been down every road, you could go
I made some bad choices as you know
Seems I have got this whole world cradled in my hands
But it's just like me not to
Understand, yea Dear, dear diary, I wanna tell my secrets
'Cuz you're the only one that I know who keep them, oh yea
Dear, dear diary, I wanna tell my secrets
I've been a bad, bad girl (Daa daa daa)
Daa daa daa
Daa daa, daa daa
(Daa daa daa)
Hah uuu hah
Na na na na
(Daa daa daa) I learned my lessons, yea
I turned myself around
I've got a guardian angel tattooed on my shoulder
She's been watchin' over me Dear, dear diary, I wanna tell my secrets
'Cuz you're the only one that I know who keep them, oh yea
Dear, dear diary, I wanna tell my secrets
I know you keep them, and this is what I've done,
(Da da da) Dear, dear diary, I wanna tell my secrets
(Da da da)
You're the only one that I know who keep them,
(Da da da)
Dear, dear diary, I wanna tell my secrets
I've been a bad, bad girl
I've been a bad, bad girl
