Power (feat. Lil Wayne)

Master P

All I want is power Get this, get this money by the hour That power, that power, that power All I want is this power Money brings me this powerAll I want is power, money and the power Money Mafia, middle fingers to you cowards Her pussy got power, thats a different kind of power Nigga work his ass off to get a million fuckin' dollars All I want is power, money and the power Money Mafia, middle fingers to you cowards Her pussy got power, thats a different kind of power Nigga work his ass off to get a million fuckin' dollars And nobody gave me nothin, I started with a dream Nigga call me Benson, way I put together this team We all came from the struggle, but I came from the cream They say the cream rise to the top, mothafucka what you mean? I said my daddy out the brick, to my grandma that do huh? Everybody that I left, nigga, they didn't want out So I did it on my own, I don't owe nobody shit I'm a hood nigga, but I'm mothafuckin' rich And I'm ridin' in that Rolls Royce cause I made it And this family shit done got crazy For a million dollars your friends'll change You might lose your fuckin' old lady Ain't no limit to us gettin' paper Nigga worked hard, middle fingers to you haters Y'all can't stop us All I want is power, money and the power Money Mafia, middle fingers to you cowards Her pussy got power, thats a different kind of power Nigga work his ass off to get a million fuckin' dollars I got all this power I got all this powder, plus I got all these downers I got heavy fire power, I put the "pow" in power Split your avocado, hair trigger, Polamalu I'm the first to find out, the last to know I'm the shit on the bathroom floor Used to sell fake crack for soap They don't make soap like that no more You live by the gavel or by the gun

Find out you tattle we chop ya' tongue
And mail that bitch to ya' momma house
With a note saying "We got ya son"
Im a beast, in these streets, nigga say that then
I just did, well say that again
Im a beast in these streets, nigga
Glock 40 on fleek, nigga
Blood gang, bitch

Respect them powers that be, niggaAll I want is power, money and the power Money Mafia, middle fingers to you cowards

Her pussy got power, thats a different kind of power Nigga work his ass off to get a million fuckin' dollarsAll I want is power Get this, get this money by the hour

That power, that power, that power

All I want is this power

Money brings me this powerI got street money, I drive fast cars

My '71 Cutlass look like a NASCARs

I got army guns, I tote pocket monsters

I run the hood, cause I control the youngstersOh I chase paper, not pussy

I've been gettin' it in, you can't overlook me

I'm mobbed up, the whole squad tough

No Limit, Money Mafia

We get it, we get it, these niggas be hatin'

We jump in the Ghost and we gone

Nigga we on, play games in the zone

One call and you're goneAll I want is power, money and the power

Money Mafia, middle fingers to you cowards

Her pussy got power, thats a different kind of power

Nigga work his ass off to get a million fuckin' dollarsFree C-Murda!

Antwan we in here!

Throw your hood up!

Throw your hood up!

Don't worry 'bout why we did it, just be glad we did it

Master P, Lil Wayne, Ace-B, Gangsta, that's power No Limit forever, we in this bitch!

BlaqNMild on the beat, nigga
