

# Request

**Teyana Taylor**

Breathe In  
Relax  
Boy, set your mind for what's coming next  
Tell me secrets  
So I can perform what you like  
Boy, what's your request? Whisper what you want, I'll get it.  
Ain't no holding back  
Let's get off in it Boy your wish is my command  
Say the word & I'll do it
