

Way To Fall

Starsailor

Son, you've gotta wait to fall
They'll tell you where to go
But they won't know Son, you'd better take it all
They'll tell you what they know
But they won't show Oh, I've got somethin' in my throat
I need to be alone
While I suffer Son, you've got a way to kill
They're pickin' on you still
But they don't know Son, you'd better wait to shine
They'll tell you what is yours
But they take mine Oh, I've got somethin' in my throat
I need to be alone
While I suffer Oh, there's a hole inside my boat
I need to stay afloat
For the summer long Oh
(Left my sweet soul)
I've got something in my throat
(Beneath the bedclothes)
I need to be alone
(I'm not comin' down)
While I suffer Oh
(Walls have ears)
There's a hole inside my boat
(But no one hears)
I need to stay afloat
(When nobody's around)
For the summer
They'll tell you where to go
But they won't know
