## Lee Greenwood

You believe that I've changed your life forever  
And you're never gonna find another somebody like me  
And you wish, you had more than just a lifetime  
To give back all I've given you and that's what you believe  
But I owe you the sunlight in the morning  
And the nights of honest loving that time can't take away  
And I owe you more than life now, more than ever  
I know that it's the sweetest debt I'll ever have to pay  
And I'm amazed when you say it's me you live for  
You know that when I'm holding you, you're right where you belong  
And, oh my love, I can't help but smile with wonder  
When you tell me all I've done for you 'cause I've known all along  
That I owe you the sunlight in the morning  
And the nights of honest loving that time can't take away  
And I owe you more than life now, more than ever  
I know that it's the sweetest debt I'll ever have to pay  
Oh, I owe you the sunlight in the morning  
And the nights of honest loving that time can't take away  
And I owe you more than life now, more than ever  
I know that it's the sweetest debt I'll ever have to pay
