

# Vienna

## G.I.E.Z.

Vienna can you hear me?  
Lazing on the afternoon  
Cathedral bells  
A ringing, ringing, ringing, ringing  
Ringing the sound  
Winter can't ignore her  
Spring will bring her back to blossoms  
Summer bring her back to me now  
Bring her, bring her, bring her, bring her  
Bring her to me  
Shoulder to shoulder  
Be back in a month I told her  
Wishing well  
I wish her, wish her, wish her, wish her  
Wish her with me  
Vienna was machst du?  
I'm running through the streets of Z
