

Stunt (feat. Meek Mill)

2 Chainz

[Intro]

2 Chaaaaaiiiinnnzzzz[Hook]

All I do is stunt (stunt), stunt (stunt) stunt (stunt), stunt (stunt)

Stunt (stunt), stunt (stunt), stunt yeah

All I do is stunt (stunt), stunt (stunt), stunt (stunt), stunt (stunt)

Stunt (stunt), stunt (stunt), stunt yeah

I get it every day I got bills every month

Oh yeah I'm doing good but I'm prepared for the worst

All I do is stunt (stunt), stunt (stunt), stunt (stunt)

All I do is stunt (stunt), stunt (stunt), stunt (stunt)[Verse 1: 2 Chainz]

OK I'm stunting on you hoes, denim True Religion

9-1-1 I'd like to report my ceiling missing

They tried to take my swag, I got condoms in my condominium

What you know about that, I'm balling like leukemia

Horsepower told the Porsche giddy-up

Stunt so hard somebody call the media

And I'm a star my neighbor is a meteor

I'm off in Neiman's 'bout to buy a Fendi fur

Sent my girl to the store for some rubber bands

Them n*ggas over me didn't understand

If I say it then I did it then I f*cking meant it

All I do is stunt, b*tch I'm 'bout to pop a wheelie![Hook]

All I do is stunt (stunt), stunt (stunt) stunt (stunt), stunt (stunt)

Stunt (stunt), stunt (stunt), stunt yeah

All I do is stunt (stunt), stunt (stunt), stunt (stunt), stunt (stunt)

Stunt (stunt), stunt (stunt), stunt yeah

I get it every day I got bills every month

Oh yeah I'm doing good but I'm prepared for the worst

All I do is stunt (stunt), stunt (stunt), stunt (stunt)

All I do is stunt (stunt), stunt (stunt), stunt (stunt)[Verse 2: Meek Mill]

All I do is stunt (stunt), stunt, I get anything I want

Started in the back now I'm that n*gga in the front

Shout out to Rozay, n*gga look at what you done

All this sh*t I spit so sick, and my pockets got the mumps

And my neck it be so cold, boy my money old

And my prezis? glow, everybody know

I'm a, purp popping, Polo drawers rocking

Bad b*tch getting muthaf*cka I'm a problem

Yeah it's mine, I spend it, I'm riding around and I'm getting it

I'm riding around in my city wit' the top down in my Bentley
And my windows up, n*gga what, going hard and I don't give a f*ck
Put mirror tint all on that b*tch so when n*ggas hate they see theyself[Hook]
All I do is stunt (stunt), stunt (stunt) stunt (stunt), stunt (stunt)
Stunt (stunt), stunt (stunt), stunt yeah
All I do is stunt (stunt), stunt (stunt), stunt (stunt), stunt (stunt)
Stunt (stunt), stunt (stunt), stunt yeah
I get it every day I got bills every month
Oh yeah I'm doing good but I'm prepared for the worst
All I do is stunt (stunt), stunt (stunt), stunt (stunt)
All I do is stunt (stunt), stunt (stunt), stunt (stunt)
