

Your Heart

The Go Find

The neon lights are reflecting in my eyes
And this howlin' lonesome 80s radio show
But I'm keepin' it low like I'm trying not to pull it out
And I'm drivin' around with guiding city lights
Yeah I'm tryin' hard but the night is closing in
And my heavy eyes go with fading city lights
Forever and ever, together alone.
Alone.Forever and ever alone.
Who knows where we will go
Moving but always alone
Forever and ever, together alone.
Alone.Forever and ever, together alone.
Forever and ever alone.
