

Find Me (Demo)

Gungor

Dwell in farthest ocean
Or on wings of morning
I make my bed the grave
Lost in pallor and grey
Oh bitter night
I attempt to run and hideCHORUS:
Your love will find me
Your love will find me
Oh, Your love will find me
Find me, find meBreath will rise and run out
Belief wrestles a doubt
Oh bitter night
I attempt to run and hideCHORUS:
Your love will find me
Your love will find me
Oh, Your love will find me
Find me, find me
