

# The Wonderful in You

Caro Emerald

Then I don't know why they call you  
A dane when you look in the mirror  
Is it take? He didn't make a difference  
You're away, to him you are untamed  
Your reflection is a ruse  
The cover I can't do  
Your heart refuses to tell you the truthWhy? It's why you do it  
I can't believe that someone like you  
Surrenders every element of you  
And you abuse it  
So someone you love, you really love  
May never seen the wonderful in youGames, you never seem too tired  
Oh his games  
The make-up starts to drift, this is insane  
Another masquerade, where is the shame?  
Please forget his name  
Hands are tickin' on the clock  
Too tired for a walk  
Your heart is desperately trying to find youWhy, it's why you do it  
I can't believe that someone like you  
Surrenders every element of you  
And you abuse it  
So someone you love, you really love  
May never seen the wonderful in youI'm chasing rainbows  
It's just thunder that's leaving dark behindWhy, it's why you do it  
I can't believe that someone like you  
Surrenders every element of you  
And you abuse it  
So someone you love, you really love  
May never seen the wonderful in you
