

# Bed of Thorns

## Stars In Stereo

Be the only one  
You're so vain, you're so lovely  
You're so weak from your depending  
In the shame what's the meaning that we'll all die young deserving  
The hole you dig gets deeper everytime you let them take away your heart  
So be the only one who breaks away  
from everything they tell you you're supposed to be  
Be the only one  
Are you leaving tonight on a bed of thorns? You pretend to be honest but your scheme is painted falwless  
So obsessed with the damage  
Turn the truth into illusion  
The hole you dig gets deeper everytime you let them take away your heart  
So be the only one who breaks away from everything they tell you you're supposed to be  
Be the only one  
Are you leaving tonight on a bed of thorns?  
It's everything they tell you you're supposed to be  
I don't even know who you're supposed to be  
Everything they tell you you're supposed to be  
I don't even know who you're supposed to be  
So be the only one who breaks away from everything they tell you  
you're supposed to be  
Be the only one  
Are you leaving tonight on a bed of thorns?
