

With You

KIDZ BOP Kids

The real me is a southern girl with her Levis on and an open heart
Wish I could say the save the world, like I was super girl
The real me is to laugh all night lying in the grass just talking about love
But lately I've been jaded life got so complicated I'm still thinking about it almost forgot what it was like
Do you know what it feels like?
'Cause with you
I can let my hair down
I can say anything crazy
I know you'll catch me right before I hit the ground
With nothing but a T-shirt on
I never felt so beautiful
Baby as I do now
Now that I'm with you
With you
Now that I'm with you You speak and it's like a song
And just like that all my walls come down
It's like a private joke just meant for us to know
I relate to you naturally
Everybody else just fades away
Sometimes it's hard to breathe
Just knowing you found me
'Cause I'm still thinking about it almost forgot what it was like
Do you know what it feels like?
'Cause with you
I can let my hair down
I can say anything crazy
I know you'll catch me right before I hit the ground
With nothing but a T-shirt on
I never felt so beautiful
Baby as I do now
Now that I'm with you
With you Come and take me
Love you save me
Like nobody else
Now I can be myself
With you
