

32 (feat. Stine Bramsen)

Carpark North

Verse:

It wouldn't stop raining as we sat in the cold
32 daughters and sons
Everyone just waiting at the spot as we were told
Cause we were the abandoned ones How many times do I have to say
There is a light ahead
Soon there'll be nobody left out there to save

Chorus:

We give up to get by
Our dreams, our voices
Give up without cries

Or scream under water

Verse:

It wouldn't stop raining as you sat in the cold
32 daughters and sons
Everyone just waiting at the spot as you were told
Cause you were the obedient ones How many times do you have to say
You see a light ahead
Soon there'll be nobody left out here to save

Chorus:

We give up to get by
Our dreams, our voices
Give up without cries

Or scream under water

Bridge:

We're rising up
We're rising up
Our dreams, our voices
We're rising up
We're rising up

Until the dawn has broken We're badly bruised but we're not broken

We're badly bruised but we're not broken

We're badly bruised but we're not broken

Chorus:

We give up to get by
Our dreams, our voices
Give up without cries

Or scream under water

Outro:

We're rising up
We're rising up
Our dreams, our voices
We're rising up
We're rising up

Until the dawn has broken
