Three Lock Box

Sammy Hagar & The Waboritas

Suckers walk, money talks
But it can't touch my three lock boxUh, oh yeah, uhMysteries of the days of old
You find the key, you got the goldOne, two, three lock box
One, two, three lock box
One, two, three lock box
One, two, three lock box
Treasure's here, sunken there
Buried treasure's everywhere, oohOne, two, three lock box
One, two, three lock boxDon't go far, circle close
The father, son, the holy ghost
To the trinity, I raise a toast
Ahh yeahOne, two, three lock box
One, two, three lock box
One, two, three lock box
One, two, three lock boxSecrets of the trinity
Lie within the number three
Uh, hey
One, two, three lock box
One, two, three lock box
One, two, three lock box
One, two, three lock box
(Three Lock Box)
One, two, three lock box
One, two, three lock box
(Three Lock Box)
One, two, three lock box
One, two, three lock box
(Three Lock Box)
One, two, three lock box
One, two, three lock box
(Three Lock Box)
One, two, three lock box
One, two, three lock box
(Three Lock Box)
One, two, three lock box
One, two, three lock box
(Three Lock Box)
One, two, three lock box
Haw, haw, haw, haw
