

When They Come for Me

LINKIN PARK

I am not a pattern to be followed
The pill that I'm on is a tough one to swallow
I'm not a criminal, not a role model
Not a born leader, I'm a tough act to follow I am not the fortune and the fame
Nor the same person telling you to forfeit the game
I came in the ring like a dog on a chain
And I found out the underbelly's sicker than it seems And it seems ugly but it can get worse
'Cause even a blueprint is a gift and a curse
'Cause once you got a theory of how the thing works
Everybody wants the next thing to be just like the first And I'm not a robot, I'm not a monkey
I will not dance even if the beat's funky
Opposite of lazy, far from a punk Ya'll oughta stop talking
Start trying to catch up mother fucker
And all the people say
Aaaaaaaah aaaaaaaah
Try to catch up mother fucker Lauryn said money change a situation
Big said it increases the complication
Kane said don't stab, I ain't the one
Chuck said a Uzi weighs a mother fucking ton And I'm just a student of the game that they taught me
Rocking every stage in every place that they brought me
I'm awfully underrated but came here to correct it
And so it ain't mistaken Imma state that for the record I am the opposite of whack, opposite of weak
Opposite of slack, synonym of heat
Synonym of crack, closest to a peak, far from a punk Ya'll oughta stop talking
Start trying to catch up mother fucker
And all the people say
Aaaaaaaah aaaaaaaah
Try to catch up mother fucker Oh, when they come for me
Come for me
I'll be gone Oh, when they come for me
Come for me
I'll be gone Oh, when they come for me
Come for me
I'll be gone And all the people say
Aaaaaaaah aaaaaaaah
Try to catch up mother fucker
Aaaaaaaah aaaaaaaah
