Cattleprod (Instrumental)

Lo Fidelity Allstars

Blow my mind up
For a hundred choose your lovers
The high times go down
When you're waitin' for anotherCuss your mind back
Rememberin' the city
When you touch them with a sound
Motherfuckers felt so prettyFull bounce, full bounce
Full bounce in the fuckin' club
And if you wanna know why
Wanna know why, wanna know why
Because I'm on the fuckin' drumbeatCan't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop
Until you breakdownCan't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop, hear the beat
Because freaks are on the make nowSo she stands there
Of a warped reality
She's the best of the last
The yacht mentalityMust be worth it
Just to hear them scream
With their backs into the wind
Riding on a gulf streamFull bounce, full bounce
Full bounce in the fuckin' club
And if you wanna know why
Wanna know why, wanna know why
Because I'm on the fuckin' drumbeatCan't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop
Until you breakdownCan't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop, hear the beat
Because freaks are on the make nowCan't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop
Until you breakdownCan't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop, hear the beat
Because freaks are on the make nowI just can't stop this

I just can't stop thisFull bounce, full bounce
Full bounce in the fuckin' club
And if you wanna know why
Wanna know why, wanna know why
Because I'm on the fuckin' drumbeatI just can't stop this
I just can't stop this
I just can't stop this
I just can't stop thisCan't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop
Until you breakdownCan't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop, hear the beat
Because freaks are on the make nowCan't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop
Until you breakdownCan't stop, won't stop, hear the beat
Because I get up and when I get up
I can't stop, won't stop, hear the beat
Because freaks are on the make now
