## Lo Fidelity Allstars

Blow my mind up  
For a hundred choose your lovers  
The high times go down  
When you're waitin' for another Cuss your mind back  
Rememberin' the city  
When you touch them with a sound  
Motherfuckers felt so pretty Full bounce, full bounce  
Full bounce in the fuckin' club  
And if you wanna know why  
Wanna know why, wanna know why  
Because I'm on the fuckin' drumbeat Can't stop, won't stop, hear the beat  
Because I get up and when I get up  
I can't stop, won't stop  
Until you breakdown Can't stop, won't stop, hear the beat  
Because I get up and when I get up  
I can't stop, won't stop, hear the beat  
Because freaks are on the make now So she stands there  
Of a warped reality  
She's the best of the last  
The yacht mentality Must be worth it  
Just to hear them scream  
With their backs into the wind  
Riding on a gulf stream Full bounce, full bounce  
Full bounce in the fuckin' club  
And if you wanna know why  
Wanna know why, wanna know why  
Because I'm on the fuckin' drumbeat Can't stop, won't stop, hear the beat  
Because I get up and when I get up  
I can't stop, won't stop  
Until you breakdown Can't stop, won't stop, hear the beat  
Because I get up and when I get up  
I can't stop, won't stop, hear the beat  
Because freaks are on the make now Can't stop, won't stop, hear the beat  
Because I get up and when I get up  
I can't stop, won't stop  
Until you breakdown Can't stop, won't stop, hear the beat  
Because I get up and when I get up  
I can't stop, won't stop, hear the beat  
Because freaks are on the make now I just can't stop this

I just can't stop this Full bounce, full bounce  
Full bounce in the fuckin' club  
And if you wanna know why  
Wanna know why, wanna know why  
Because I'm on the fuckin' drumbeat I just can't stop this  
I just can't stop this  
I just can't stop this  
I just can't stop this Can't stop, won't stop, hear the beat  
Because I get up and when I get up  
I can't stop, won't stop  
Until you breakdown Can't stop, won't stop, hear the beat  
Because I get up and when I get up  
I can't stop, won't stop, hear the beat  
Because freaks are on the make now Can't stop, won't stop, hear the beat  
Because I get up and when I get up  
I can't stop, won't stop  
Until you breakdown Can't stop, won't stop, hear the beat  
Because I get up and when I get up  
I can't stop, won't stop, hear the beat  
Because freaks are on the make now
