

# Watcher Of The Skies

## Omnium Gatherum

Watcher of the skies, watcher of all  
His is a world alone, no world is his own  
He whom life can no longer surprise  
Raising his eyes beholds a planet unknown  
Creatures shaped this planet's soil  
Now their reign has come to end  
Has life again destroyed life, do they play elsewhere  
Do they know more than their childhood games?  
Judge not this race by empty remains  
Do you judge God by his creatures when they are dead?  
For now, the lizard's shed it's tail  
This is the end of man's long union with earth  
From life alone to life as one  
Think not now your journey's done  
For though your ship be sturdy, no mercy has the sea  
Will you survive on the ocean of being?  
Come ancient children, hear what I say  
This is my parting council for you on your way  
Sadly now your thoughts turn to the stars  
Where we have gone you know you never can go  
Watcher of the skies, watcher of all  
This is your fate alone, this fate is your own  
On your own, your own  
On your own, your own
