

# I Lie a Lot

Ray Price

I say that I don't miss you if they ask me if I do  
I lie a lot that's what I do  
I'm not own because I'm blue there's just nothing I want to do  
Oh I lie a lot if they ask about you  
Do you have to lie when they ask about me  
Or is it true when you tell them you're glad that you're free  
I wish it was that easy to pretend that I'd forgot  
When I say that I don't miss you I lie a lot Do you have to lie
