

# By Myself (feat. the GTW & little cloud)

[Ryan Hemsworth](#)

By myself  
You're into you, I'm into me  
But into us, enjoying this company  
By myself  
Kisses for the mirror  
I'm just loving myself  
Needing nobody else No injuries  
Self sustaining  
My health for me  
The safest love I know  
By myself  
Mentally I'm clearer  
Loving nobody helps  
Solo movie 'round 12  
No I won't ever let you go  
Holding my arms to calm you down  
Cup of soup and the covers 'round  
Self-assured I'm not selfish now It's harder, it's harder falling...  
It's harder, it's harder falling for you  
I need to start loving my, loving my, loving my...  
I need to start [?]  
She's a boss, she's a boss  
She don't like being told what to do  
General, switch fast  
She controls everything around you  
Skip the scene, hate the scene  
Lady you can come and worry 'bout me  
On your bed, all alone  
Cuddle Cat fake DVD, starring me By myself
