Brilliance

ENCS Music

You engraved our names
On the palm of Your hand
Made from dust to life
Like diamonds

Holy fire refine
Hearts to blaze a fire
We are made like gems
To shine Your light

Your light Your love
Shines brighter
Your splendor fills the earth
Your brilliance lasts forever
Let glorious radiance reign

Let my heart be filled
With Your desire
Let Your Glory
Reveal Jesus Christ

Let our lives be Your
Reflection of Your love
Let Your Righteousness
Bring endless praise

Your light Your love
Shines brighter
Your splendor fills the earth
Your brilliance lasts forever
Let glorious radiance reign

Your light Your love
Shines brighter
Your splendor fills the earth
Your brilliance lasts forever
Let glorious radiance reign

And we cry holy
Holy is the Lord

(3x)

You are Holy, Holy, Holy

And we cry holy
Holy is the Lord
(3x)

You are Holy, Holy, Holy

Your light Your love
Shines brighter
Your splendor fills the earth
Your brilliance lasts forever
Let glorious radiance reign
(3x)

Let glorious radiance reign
