

# O Barquinho

Karrin Allyson

My little boat is like a note  
Bouncin' merrily along  
Hear it splashing up a song  
The sails are white  
The sky is bright  
Headin' out into the blue  
With a crew of only two  
Where we can share  
Love's salty air  
On a little paradise that's afloat  
Not a care have we  
In my little boat

The wind is still  
We feel the thrill  
Of a voyage heaven-bound  
Though we only drift around  
Warmed by the sun  
Two hearts as one  
Beating with enchanted bliss  
Melting in each other's kiss  
When daylight ends and slyly sends  
Little stars that twinkle brightly above  
It's goodbye to my little boat of love . . .

The wind is still  
We feel the thrill  
Of a voyage heaven-bound  
Though we only drift around  
Warmed by the sun  
Two hearts as one  
Beating with enchanted bliss  
Melting in each other's kiss

When daylight ends and slyly sends  
Little stars that twinkle brightly above

It's goodbye to my little boat of love . . .

Goodbye little boat . . .  
Goodbye little boat . . .
