Pretty Face

Soley

I see my pretty face in his old eyes
I listen to our blood run side by side
I throw my hands to you and run away
ItÂ´s so cold so dangerous that I can't stay

I run away from you
Into your dream and who the one
That I was in when you took me
That I could never meet my friends again

I thought I touched them but I can't feel IÂ´m in your dream
They want to take me but I will hide from them
Tonight I take your life and throw it far away
I'll use my pretty face to find my way to him

I run away from you
Into your dream and who the one
That I was in when you took me
That I could never meet my friends again

Will you be my friends in my dream
Just take that pretty face IÂ´ve shown me
Will we ever have that baby
Just take that pretty face IÂ´ve shown me
Are you my friend

Will you be my friend in my dream
Just take that pretty face IÂ´ve shown me
