

# Pretty Face

## Soley

I see my pretty face in his old eyes  
I listen to our blood run side by side  
I throw my hands to you and run away  
It's so cold so dangerous that I can't stay

I run away from you  
Into your dream and who the one  
That I was in when you took me  
That I could never meet my friends again

I thought I touched them but I can't feel I'm in your dream  
They want to take me but I will hide from them  
Tonight I take your life and throw it far away  
I'll use my pretty face to find my way to him

I run away from you  
Into your dream and who the one  
That I was in when you took me  
That I could never meet my friends again

Will you be my friends in my dream  
Just take that pretty face I've shown me  
Will we ever have that baby  
Just take that pretty face I've shown me  
Are you my friend

Will you be my friend in my dream  
Just take that pretty face I've shown me
