Cha Cha

Muzyka taneczna

Rolling down the road
Rolling like a stone
Feel your engine roar
Feel your body purr
My cha cha
You're my cha chaPutting down the smack
Stepping on the gas
Riding kinda low
Everybody knows
My cha cha
You're my cha chaI just want you to feel me
I just want you to hear me
I just want you to heal me
You're my cha cha
You're my cha chaCha cha
Ch-ch-ch-ch-chaNothing's gonna last
We're just going fast
Charging like a bull
You're seeing red
You're my cha cha
You're my cha chaI just want you to feel me
I just want you to hear me
I just want you to heal me
You're my cha cha
You're my cha cha
You're my cha cha
You're my cha cha
You're my cha cha
OK
