

# Jerusalem

## Shakhan

Jerusalem your G-d will come with great power.

Jerusalem he will come riding cherub.

Treading down the nations in his great anger in his great wrath alone. Jerusalem, from the land of Edom he does  
come marching in power.

His garments glowing, his garments are stained with the red blood of your enemies. Jerusalem lift up your voice,  
sing a song.

Jerusalem give praise to your G-d.

He will wrap his arms around you in love, around you in love, love. Jerusalem head of all the nations.

A name and praise in all the earth.

And all the nations shall come to your light.

And they will say Jehovah is there.
