

# Pharaoh

## Waylayers

Going alone, going alone, going alone  
Take that pharaoh  
Going alone, going alone, going alone  
Take that pharaohWhen the lights die down  
You'll see them goGoing alone, going alone, going alone  
Take that pharaoh  
Going alone, going alone, going alone  
Take that pharaohWhen the lights die down  
You'll see them goWe are all living for the game  
For the game, oh, Heaven is weeping  
We are all living for the game  
For the game, oh, Heaven is weepingPlease don't let my memory fail me now  
'Cause I've waited all this time and I can't run another mile  
Oh, please don't let the world know now  
Please don't let the world know nowWe are all living for the game  
For the game, oh, Heaven is weeping  
We are all living for the game  
For the game, oh, Heaven is weeping
