

# Nowhere

## VI3

\*Nowhere\*

(Yeah..uh)

Oh yeah

(Girl I'm nowhere without you)

(And I wanna prove it to you)

I'm nowhere..yeah

(That's right)

Right now

Here we are

And here I'll stay

For as long as you say

I'll never go

Don't you know

I'll be yours for always

And I don't care what it takes to make you

Understand I'll never leave you

(That's right)

And I don't wanna be standing here

On my own without you

(I can't live without you)

Yeah

Chorus

Because I'm nowhere if I'm not with you

And I don't care what it takes to prove

There is no way I can stand to lose you now

Because I'm nowhere without you

Oh babe, if you should leave

Then you'd see

How my heart was torn in two

And then you'd know

Just how far I'd go

Girl to get back to you

And I don't care what it takes to give you

Everything I ever meant to

And I don't wanna be standing here

On my own without you

(I can't live without you girl)

Chorus 2x

Now I don't even know how I got here  
All I know is that I just want to stay right here  
And every single day you're right here  
Is another chance is another way  
Baby to stay with you forever

There is no way, there is no way, there is no way, there is no way I can lose you now, Oh, no  
no

Chorus 2x

(I can't stand to lose you)  
Because I'm nowhere without you  
(I can't live without you)
