

When U Hear The

Mobb Deep

Alchemist, fuck is the deal nigga?

Uh-huh, yeah

Yeah, when you hear the

YeahP yeah, you heard of him, big ignorant chains and sports cars

Gallons of Bacardi, been at the awards

I need a bitch like Christina Aguilera for a broad

I know I can splack that, she dyin' for a thugAnd she heard of me, she know about my infamous life

Shootouts in New York with various types

Fast money, faster guns, we party every night

'Cause we perform, every day of the week for that priceMobb Deep, who you know got a similar catalogue

And still sound brand new, like we just started?

The Carhartt Mobb, Guess jean team

Forty Inch Chain Gang, volume pleaseSo these people can hear the sounds of Queens

I make your arm hairs stand up, it had to be me

Mixed with the A L C and H A V

N.Y.C. to L.A., we do our swingEverybody have a ball, everybody party

Everywhere you turn it ain't nuttin but phatties and hotties

Everything is all love 'til you try to try me

That's when I make everybodyWhen you hear the, it's on

When you hear the, it's on

When you hear the, it's on

When you hear the, it's onYo, I'ma glow, like a dirty bomb, jux, with the certy arm

Rippin' anything, that you motherfuckin' hear me on

Add it to the catalogue, heavy hitters had the song

Niggaz showin' no feelings and me, got 'em camouflagedF'real baby, you little babies so emotional

And tip-toe around the beef until that toast to you

Ain't got no problem in smokin' you

Enemies I could deal with, be the ones that's close to youAnd do, what I'm 'posed to do, approach Duke

Why you faggots only squeezin' from out, the vocal booth?

Know my style be that overproof, open the Coupe

Open your face was talkin', wasn't talkin' to youAnd now the medics gotta mind to your face, tyin' the lace

You tellin' that a D.A. got 'em tryin' the case, yeah

Bottom line you cowards is ass

Know Mobb good, in numbers y'all music is trashWhen you hear theWhen you hear the, it's on

When you hear the, it's on

When you hear the, it's on

When you hear the, it's on
