Full Of Fire

Al Green

I'm full of fire, full of fire, full of fire
You're my one desire
Baby, I'm full of fire, full of fire, full of fire
You can make me cry
I can dance to the music
I can sing all night long
I can play with the band
Until you hear my song
'Cause I'm full of fire, full of fire, full of fire
See the party lights
Baby, I'm full of fire, full of fire, full of fire
[Incomprehensible] why
I can dance with the fire
Burnin', burnin' low
I can stay until the party is all over
All over, all over
Hey, I'm full of fire, full of fire, full of fire
And I'm over twenty one
Baby, I'm full of fire, full of fire, full of fire
And my life has just begun
I can dance to the music
And I can under-understand
That there must be an [incomprehensible] power
That is holding my hands, hey
Dance, dance dance, oh, I understand
Young lady, young man, I say, I understand
I can dance, dance dance dance dance, hey hey
I understand, stand, understand, understand, hey hey
There's some things that I know
But I want the horn to blow, hey hey
There's some things that I know
But I want the horn to blow, hey hey
And I can dance, [incomprehensible] I can dance
Hey I'm full of fire, my heart desire, hey hey
