

# Tempted

[Tammy Wynette](#)

Sometimes love can hurt you bad  
Make you stop and wonder what you really had  
But I guess it's all part of the Master's plan  
To be tempted to fall in love again Tempted, tempted, tempted to fall in love again  
Tempted, tempted, tempted to fall in love again When I miss love the most is late at night  
When the party is over and everything is quite  
Then the memory of love starts burning in my brain  
And I'm tempted to fall in love again  
Tempted, tempted, tempted to fall in love again  
Tempted, tempted, tempted to fall in love again  
Tempted, tempted, tempted to fall in love again
