Sooner or Later

Gavin Creel

Sooner or later it all comes crashing down
(Crashing down)
Crashing down
(Crashing down)
When everyone's around
I bet you would've paid up all your cash down
(Your cash down)
And not to make a sound
(To make a sound)
Everyone knows now
(So you're sad)
About the moment you lost your love
(Damn)
You couldn't see her leaving
(You were gassed)
And that's such [Incomprehensible]
'Cause God yanked the rug
And holding your heart will not help you breathe
Sooner or later it all comes crashing down
(Crashing down)
Crashing down
(Crashing down)
When everyone's around
I bet you would've paid up all your cash down
(Your cash down)
And not to make a sound
(To make a sound)
Everyone knows now
It all comes crashing down
It's over, leave it
It's over, leave it
It's over, leave it
It's over, leave it
(So you're sad)
And you should own it and you fucked up
(Damn)
You thought that you were the team
(You were gassed)
And now you're opponent who wears your gloves

(Damn)
A nightmare just ate up your dreams
Sooner or later it all comes crashing down

(Crashing down)
Crashing down
(Crashing down)
When everyone's around
I bet you would've paid up all your cash down
(Your cash down)
And not to make a sound
(To make a sound)
Everyone knows now
It all comes crashing down
It's over, leave it
It's over, leave it
It's over, leave it
It's over
(So you're sad)
Could have had so much done you blew it off
(Damn)
Your chance is passing you by
(You were gassed)
Time waits for no one and it cost for a lost
A cosmic joke should you laugh or cry
Sooner or later it all comes crashing down
(Crashing down)
Crashing down
(Crashing down)
When everyone's around
I bet you would've paid up all your cash down
(Your cash down)
And not to make a sound
(To make a sound)
Everyone knows now
It all comes crashing down
It's over leave it
It's over leave it
It's over leave it
It's over leave it
It's over leave it
It's over leave it
It's over leave it
