Disillusion

ABBA

Changing, moving, in a circle I can see your face in all of my dreams Smiling, laughing, from the shadows When I hear your voice, I know what it means I know it doesn't matter just how hard I try You're all the reason for my life Disillusion, disillusions all you left for meHow can I forget you When my world is breakin' down You're all I had, you're all I want Disillusion, disillusions now, that's all I have Wishing, hoping, chasing shadows Did I see your face somewhere in the crowd? Thinking, wondering, what you're doing I can't stop myself from crying out loudThey say my wound will heal and only leave a scar But then, they never shared our love Disillusion, disillusions all you left for meHow can I forget you When my world is breakin' down You're all I had, you're all I want Disillusion, disillusions now, that's all I have Disillusion, disillusions now, that's all I have
