

# Sweet Somethin'

## Looking Glass

Sweet somethin' is smilin' and groovin'  
easily swingin' and singin' a song  
just watchin' her gracefully movin' says  
nothin' but somethin' could ever be wrongChorus:

She's so fiiiine

walkin' in harmony breathin' in time

She's so fiiiine

sweet somethin' is so fineShe's standin' by cool runnin' water  
watchin' it windin' and findin' its way  
she must be the sky's natural daughter  
runnin' and sunnin' shes livin' todayChorus:

She's so fiiiine

walkin' in harmony breathin' in time

She's so fiiiine

sweet somethin' is so fineEveryone thinks about sweet sweet somethin' some other time  
everyones got a cold visitor once in a while  
everyone knows where somethin' lives  
and everyone needs what somethin' giveseveryone's gotta go see her sometimes then  
smile sweet sweet childSweet somethin' is everyone's lover

gently she's callin' us all in our mind

one moment you'll surely discover

nothin' but somethin' ius all you can findChorus:

She's so fiiiine

walkin' in harmony breathin' in time

She's so fiiiine

sweet somethin' is so fine
